Bent E Quarter Horses is not responsible for untimely deliveries and/or condition of shipped semen, as we have no control of shipment after it leaves our custody. Bent E Quarter Horses only assumes responsibility to ship semen in viable condition, and shall

not be held liable for contamination of semen during and after shipment, loss of viability, or any costs arising from shipments delayed, damaged or lost in transit.

Mare Owner agrees to use all frozen semen provided for the mare named in this Agreement and no other.

Bent E Quarter Horses agrees to ship frozen semen as described above. If the mare fails to settle for any reason the mare owner will not hold Bent E Quarter Horses, Ben Eike, or Craig Eike responsible or liable for damages to the semen, or condition of the Mare.

This contract contains a **conditional guarantee**. A live foal is defined as a new born foal which stands and nurses, and survives a minimum of 24 hours. **In order for a guarantee to apply, the following conditions must be met:**

- A.) Mare must be vet checked via ultrasound for pregnancy 14 -18 days following the last breeding date.
- B.) Mare must be kept in good physical condition throughout pregnancy, including Rhino EHV vaccinations at months 5, 7 & 9 of pregnancy.
- C.) Stallion manager/owner is to be notified within 10 days of discovery of an open mare, stillbirth, or the death of foal less than 24 hours old.

This contract and guarantee are non-transferable. In the event that a rebreed (return privilege) is granted, it will apply to the 2026 season only. Mare can be substituted for a mutually agreed mare with the stallion owner.

If embryo transfer occurs, mare owners are responsible for paying a stallion fee for each conceived embryo
